

**Date: 22/12/2022**

**Notification**

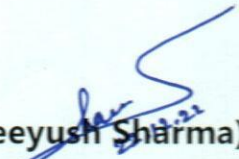

**Sub.:** *Launching of Single Window Portal for Renewable Energy Projects under GoM Renewable Energy Policy -2020.*

Government of Maharashtra has declared the Renewable Energy Generation Policy - 2020 vide Govt. Resolution No. Apau/Pro. No.137/Energy-7, Dt. 31/12/2020. As directed in RE Policy 2020, Single Window Web Portal for Registration/Issue of Grid Connectivity/Commissioning of RE Projects has been developed by MEDA in association with MSEDCL, MSETCL, Chief Electrical Inspector and SLDC.

The said Single Window Portal is live from 15/12/2022. The Renewable Energy Project Developers are requested to apply for Grid Connectivity online through MEDA's Single Window Web Portal only. Hard-copy/Offline grid connectivity application will not be accepted by STU henceforth.

The Single Window Portal link is available on MEDA's website [www.mahaurja.com](http://www.mahaurja.com) landing page Top, right hand side **or** click on the link <https://regridmeda.mahadiscom.in/swPortal/login>.

All Developers/Applicants are requested to take a note of above and co-operate to make this process successful.

  
(Peeyush Sharma)  
Chief Engineer (STU)
