	submitting a duly registered/ notarized power of attorney signed jointly by legally authorized signatories of both partners, on a non-judicial stamp paper issued by Government of Maharashtra. 7) A copy of agreement entered into by the consortium partners as specified in enclosed format shall be submitted with the bid. 8) The bid document should have been purchased and submitted by the Lead Partner only.
I	GENERAL CRITERIA
1	Bidders have to submit an undertaking in the attached Proforma ANNEXURE-6 declaring that their Firm is not Debarred/Blacklisted by Government/Semi Government/Other Power Utilities, anywhere. If it is revealed that the participating Bidder is Debarred/Blacklisted by Any Government/Semi-Government/Other Power Utility, anywhere, the Offer of such Bidder shall be liable for rejection at any stage of Tendering process.
2	Further, if it is revealed that the successful Bidder is Debarred/Blacklisted by Any Government/Semi-Government/Other Power Utility, anywhere, then Order of such Bidder shall be liable for termination at any stage of Order execution process and the concern Bidder shall be solely responsible for the consequences arising therefrom.
3	Original Colour scan copy of duly filled schedules Annexure-I, Annexure-IV

The document should be submitted as mentioned above only, in PDF format only. The document not related above should not be submitted. The original hard copies should be submitted whenever required.

3. Validity of Offer: The offer shall be kept open for our acceptance up to 180 days from the date of commercial opening of the tender.
4. Validity of Work Order: The validity of contract will be 12 months from the date of issue of work order.
5. Work Completion Period: The work shall be completed within 12 months from the date of issue of work order.
8. Payment Terms: The RA bills can be submitted by the contractor for passing, auditing and for payment after completion of each work. The contractor will have to submit bill to Additional Executive Engineer (Line Maintenance Sub-Division)
9. GST Payment: 100% GST payment will be made against tax invoice submission for supply, erection portion.
10. Guarantee: 12 Months from the date of completion of work. If any mishap/damage occurs in guarantee period the same will have to be made good by contractor at his own cost. Guarantee Certificate should be enclosed with the bill.
11. Joint venture/Partnership deed: Joint venture or partnership deed is allowed for this tender.
12. Submission of Tax invoice (bills):
 - a. E-Invoice or Tax Invoice as per prevailing rules of GST in 3 copies, advance stamped receipt along with the certificate operating from Additional Executive Engineer (Line Maintenance Sub-Division.) having completed the work satisfactorily must be submitted to the Executive Engineer (400kV R.S Division Lamboti.). The PAN No. & GST No. should be mentioned on bill.

- b. Payment will be made within reasonable time by EE/400kV R.S Division Lamboti., after receipt of duly certified and recorded bill by concern Sub-Station In-Charge and after taking necessary entries in ERP-SAP system.
 - c. 100% payment will be made against duly certified, recorded & audited bills after successful completion of work.
 - d. Necessary documents such Delivery challan/gate pass, test reports etc. in original/certified & guarantee certificate must be enclosed with the bill.
 - e. In case of MSME vendors “The company MSETCL will try to arrange for funds for bill payment well within stipulated 45 days. But in case for whatsoever the reason, funds arrangement & disbursement thereof gets delayed, MSETCL neither accepts any communication in whatever kind from bidder for delayed in payments.
13. Supply of Material: Required material shall be supply immediately at site as per work call from concern Engineer In-Charge. The contractor shall take prompt action in planning the work in consultation with the concerned Engineer In-Charge. He should also take steps for timely procurement of the necessary material as per LOI/Work Order and tools and plant.
14. Execution of the work: The contractor shall keep one full time experienced technical responsible person at site, he shall be fully authorized to receive and comply with such instructions as are given by the Engineer-in-charge. The name of such person with his qualification and experience shall also be immediately reported to the Engineer-in-charge.

The contractor must also provide for necessary skilled and unskilled workmen for each class of work and the Engineer-in-charge have the right to satisfy himself about the suitability or otherwise of such workmen. The Engineer In-charge shall have the right to demand the removal of any technical personnel, skilled or unskilled worker who in his opinion are considered to cause bad workmanship in the execution of the work or to cause indiscipline.

The contractor shall also provide the necessary staff such as labour and also materials, scaffolding shorting, tools and plants of every kind, quality and description. Whatsoever for the efficient execution of the work.

15. Supervision of the work: The works shall be under overall supervision of Additional Executive Engineer (LMSD.) or his representative. The work should be executed as per instructions from the operating officer who will supervise the work. The work carried out without supervision will not be recorded and payment will not be released for such works which may please be noted.
16. Precaution: - All lines are in charged condition. All safety precautions shall be at own cost & risk of contractor.
17. Operating Authority: This contract will be operated by Additional Executive Engineer (Line Maintenance Sub-Division.)
18. Time is the essence of the Contract: The time stipulated in the Contract for the completion of works shall be deemed to be the essence of the Contract. The Contractor shall so organize his resources and perform his work as to complete it not later than the date agreed to.
19. Penalty/LD: Please refer tender document part-III Sr. No. 26

20. Risk & Cost: In case contractor fails to complete the work entrusted to you partly or fully, the undersigned reserves the right to get the balance work carried out through other agency and difference in cost will be recovered from your bill and S.D. If the balance remained to be recovered the same shall be recovered from your any balance payment in all over MSETCL.
21. Hindrance of work: If the work has to be suspended due to any reason, shut down etc. The MSETCL shall not pay any compensation / Damage to the contractor towards item like labor, idle machinery, vehicles etc. However, in such case the contractor will be paid for the actual work executed by him under the supervision & measured by concerned Executive Engineer. A separate register shall be maintained jointly by the site in-charge and the agency.
22. Price Variation: Price variation clause is not applicable for this tender.
23. Contractor's employees: The contractors shall employ and provide onsite only such employees who are skilled and experienced for execution and supervision of works. The contractor shall provide housing accommodation to his employees. He shall also be responsible for any injury / accident to his employees, payment of compensations etc. as may be required to be paid eventually, shall be borne by the contractor himself. The contractor should ensure that his staff uses the requisite safety equipment. The employees should be duly insured against any such eventuality.
24. Damages to Persons and Property: The contractor shall indemnify MSETCL against any losses and claims regarding any injuries of damage to any persons, material or physical damage to any property whatsoever which may arise out of, or in consequence of the execution of the work. During execution of work any damage/loss to Transmission Company's property occurs will be recovered from your bill.
25. Site Clearance: The contractor shall, during the progress of work, keep the site reasonably free of all unnecessary obstruction and shall store the material neatly so as not to cause any obstruction for normal working / operations.
26. Sub-letting of Contract: The contract, or any thereof shall not be assigned, transferred, or sub-let without the prior written permission of the undersigned. Even if such permission is granted, it shall be the responsibility of the principal contractor to whom the work order was originally issued, to execute the works as per the terms of the contract.
27. Force Majeure: Please see tender document Part-III Sr. No. 24.
28. Income Tax, GST, TDS and Labour Cess: Income Tax, GST, TDS and Labour cess as applicable will be deducted from the bills as per rules & regulations. All applicable taxes & levies are deducted (if applicable) at the time of payment.
29. Workmen's Compensation Insurance: Please see tender document Part-III Sr. No. 58.
30. Compensation under workmen's compensation Act – 1923 (VII of 1923): The contractor shall be responsible for and shall pay compensation to his workman / employee as per Act for injuries that may be inflicting on the workmen. In case if such compensation is paid by the Transmission Company, as per Principals under subsection (I) of Section 12 of said Act, on behalf of the Contractor the amount of such compensation paid shall be recovered in the manner laid in clauses 4 of the relevant section of the Act.
31. Details Confidential: Please see tender document Part-III Sr. No. 64.
32. Disputes: Please see tender document Part-III Sr. No. 35.

33. Termination of Contract: Please see tender document Part-III Sr. No. 37.
34. Applicability of General Conditions of Contract: Notwithstanding anything stated herein, the MSETCL's General Terms and Conditions of Contract shall be applicable to the contract, as far as they are applicable to this contract also.
35. Jurisdiction: All disputes, differences related to the tender / contract shall be subject to the exclusive jurisdiction of Solapur District Court.

**Part-II
Instructions to the Bidders**

1. Signing of Bid:

The bid documents shall be signed and submitted by

- i. In case of Proprietary Firm - Proprietor / Power of Attorney Holder
- ii. In case of Partnership Firm - Authorized Partner (Authority Letter by all partners to be enclosed)
- iii. In case of Public / Pvt. Ltd. Firm - Authorized Director (Copy of resolution of Board of Director to be enclosed)

2. Submission of Bid:

- i. The bidder is expected to visit the site and get familiarized with the site and collect the required information before submitting the offer. All personnel / labor, required material and T&P are to be arranged by the bidder.
- ii. The bid shall be submitted through quotation in response to E-Enquiry published on website only.
- iii. The document should be submitted as mentioned above only, in hard copy only.
- iv. When required you will have to submit original copies of above documents for verification.
- v. The e-enquiry on official website will be considered. If any bidder submits technical bid envelope & commercial bid envelope enclose both envelop in single pocket.

3. Response to Price Bid:

- i. The type of bid for this tender is "Percentage type of Bid".
- ii. The type of bid for this tender is "Percentage type of Bid".
- iii. The bidder can check the item wise rates in the "Schedule-A" or under Item Tab in the RFx.
- iv. The rates quoted shall include required material, T&P, and personnel for executing the works.

4. Disqualification:

- i. Disclosing untrue and / or false information, or withholding information or part of information.
- ii. Record of poor performance such as unsatisfactory work of abandoning the work etc.
- iii. Insufficient experience, or employing insufficient number of employees, or not employing qualified employees.
- iv. Submission of only hard copy of the bid.
- v. Not fulfilling the Technical Qualifying Requirement.
- vi. Non – payment of Enquiry Fee.

5. Evaluation Bid: The bids will be evaluated on the basis of total price (supply & erection) including all the taxes, duties and levies as quoted for the tender.
 6. Awarding of Contract: The MSETCL does not bind itself to award the contract to the lowest bidder. The bidder should not quote conditional rates related to quantity of work. The MSETCL reserves the right to award the contract to more than one bidder by splitting the tendered quantity. In case L2 agrees & gives consent for readiness to work at rates quoted by L1 then such consent may be considered for bifurcation of work order in view of redundancy.
 7. Signing of Contract: Within 15 days from the date of the date of issue of LOI, the contractor shall enter into an agreement on bond as Govt. rule (Stamp Duty Rate changes in Maharashtra from 14.10.2024 (Maharashtra Stamp (Amendment) Ordinance, 2024)) (as per LOI/work order amount) with MSETCL, in the prescribed proforma. Until the agreement is executed the Company will not be liable to pay nor shall the contractor be entitled to claim amount due or payable under the contract. The necessary stamp duty for the agreement shall be borne by the contractor.
 8. Security Deposit:
 - a. The successful bidder has to pay the Security Deposit as per tender document Part-III Sr. No. 6.9 within 15 days from the date of issue of the LOI in this office in Cash/ by D.D./B.G./ fixed deposit in Nationalized or Scheduled Bank after acceptance of this order. If contractor fails to do so, the SD will be recovered from his first bill with interest as per prevailing BPLR. Also, contractor will have to apply for refund of SD within 6 months after completion of guarantee period. If contractor fails to apply within stipulated period, the action as per CO's rules will be taken & same will be refunded after expiry of guarantee period & no interest will be paid on this deposit.
The work order will be issued to vendor only after submission security deposit & accordingly the site will be handed over to agency.
 - b. Whenever any claim for payment of a sum of money arises out of or under the contract against the contractor, the Company shall be entitled to recover such sum by appropriating in full or in part the Security Deposit, if any, deposited by the Contractor or for the purpose aforesaid shall be entitled to sell and/or realize securities forming whole or part of any such Security Deposit or by appropriating any sum then due (due to the contractor under this contract or any other contract with the Company). If such sum is found to be insufficient to cover the full amount recoverable, the contractor shall, on demand, pay to the Company the balance remaining claim without any reason.
 - c. In the event of any breach of any of the terms and conditions of the contract, the Company shall have (without prejudice to the other rights and remedies) the right to terminate the contract forthwith, and recover through appropriate the entire or part of the amount of security deposit towards the satisfaction of any claim for damages, losses, expenditure of costs that might have been suffered or incurred by the Company due to the contractor's negligence or unsatisfactory performance under the contract.
 - d. Such damages, losses, expenses etc., as referred to above shall be assessed by the Concerned Executive Engineer, whose decision shall be final and ex-parte and binding on the contractor
 - e. The security deposit shall be returned on satisfactory performance of the work and all obligations by the contractor under the contract terms and on submission of a 'No Demand Certificate' by the contractor and on completion of the contract. The Company shall not be liable for payment of any interest on the security deposit if paid in cash.
 - f. The Bank guarantee/FDR furnished, if any, towards Security Deposit shall be kept valid for a period of 02 years (1 year work completion period & 1 year guarantee period) or till all the obligations on the part of the contractor are fulfilled as above.
-

9. Prohibiting participation of Bidders Debarred/Black listed by Government/Semi- Government/Other Power Utilities: Bidders have to submit an undertaking in the attached Proforma ANNEXURE-G declaring that their Firm is not Debarred/blacklisted by Government/Semi- Government/Other Power Utilities, anywhere. If it is revealed that the participating Bidder is Debarred/blacklisted by Government/Semi-Government/Other Power Utilities, anywhere, then Offer of such bidder shall be liable for rejection at any stage of tendering process. Further, if it is revealed that the successful Bidder is Debarred/blacklisted by Government/Semi-Government/Other Power Utilities, anywhere, then Order of such Bidder shall be liable for termination an any stage of Order execution process and the concern Bidder shall be solely responsible for the consequences arising there from.
10.
