Sub: Technical input/papers for NTPC E-News letter and NTPC Technical Journal

Dear Shri. R.K. Mital ji

NTPC has decided to publish quarterly E-Technical News Letter (first issue-Sep 2015) and half-yearly Technical Journal (first issue-Oct 2015) for sharing of the information on modern technologies being pursued by different power utilities in India and abroad. This technical bulletin would also contain information on the emerging new technologies for facing the future challenges of Power Industry. These challenges can only be overcome by strategically developing, promoting and sharing New Technologies.

To make it comprehensive and ensuring sustainability of quality technical newsletter/ Journal, we are pleased to invite contribution in the form of case studies/ papers from SEBs, IPPs, Discoms, Transcos, R&D Institutions (National/ international), experts in energy sector apart from NTPC inputs.

NTPC requests your support towards knowledge sharing initiatives in the form of technical inputs, feedback, contribution from your organization in above area. You may also consider nomination of one nodal officer to coordinate with NTPC Team/coordinators for sharing technical material. The nominations and technical input may be sent to NTPC Western Region-I Coordinator Shri P.A.Pande AGM (Commercial) MUMBAI, Email: pravin.ntpc@gmail.com, papandey@ntpc.co.in, Mobile No 9004496010.

Soliciting your kind co-operation for knowledge dissemination efforts by NTPC, benefitting Power Sector as a whole.

Your kind suggestions are also welcome.

With Best Wishes.

G. J. Deshpande.
