V.D. Bhujbal
Executive Engineer
EHV O&M Division I Pune

Instructions to the Tenderers / Bidders :

1. Signing of Contract: The contractor shall enter into an agreement on stamp paper amounting Rs. 1800/-(As per Estimated Amount) with the MSETCL within 8 days from the date of receipt of the work order. The MSETCL will not be liable to pay, nor shall the contractor be entitled to claim amount due or payable under the contract until the agreement is executed, The necessary stamp duty for the agreement shall be borne by the contractor.

2. Security Deposit: You have to remit, Security Deposit @ of 5% of the total value of the order in this office in by D.D./ B.G./ fixed deposit in nationalized or scheduled bank after acceptance of the work order and before starting the execution of the work order. The amount of S.D. will be refunded to you after successful completion of the warrantee period & if applied within six months from the date of completion of the warrantee period as per work order as well as after obtaining no dues certificate / No objection Certificate from all Operating Officers.

3. Earnest Money Deposit (EMD): Each tenderer / bidder will be required to pay the earnest money deposit of **Rs. 23,335/-** before the due date / time of opening of the technical bid. Request for exemption from earnest money deposit will not be considered on any grounds.

The EMD is liable to be forfeited if the bidder / tenderer refuses to accept the order placed during the validity period.

Note: Earnest money deposited will be refunded online through SRM System after approval from competent Authority. EMD will be credited to the bank account maintained by bidder in vendor Profile in SRM system. Bidders are requested to ensure that the bank details, i.e. Account No., IFSC Code, Account Holder Name, Bank Name, Bank Address are correctly maintained in SRM System and update the same, if required.

It may be noted that:

- 1) In case bank details are not maintained properly by the bidder in their SRM Vendor profile, EMD will not be refunded online and MSETCL will not be responsible for the delay.
- 2) MSETCL will not be responsible for any financial implications in case incorrect bank details are maintained by the bidders, as it is the sole liability of the bidder to maintain correct bank details to facilitate online refund of EMD.

Above Note shall be invariably incorporated in the Tender Documents to ensure successful refund of EMD to the eligible Bidders and to avoid any legal complications.

4. Validity of the Tender: -Tender shall remain open for acceptance for a period of 30 days from last date for submission. During this period, no bidder shall be allowed to withdraw his tender. Any such withdrawal during the said period will entitled for the forfeiture of the earnest money deposited by the tenderer / bidder. As such the offer submitted by the bidder must have a validity of minimum 90 days from the last date of submission of offer.

5. Acceptance of the Tender: The Company does neither have any binding on itself to accept the lowest or any quoted offer nor have binding to specify / inform about any reason be assigned for the rejection of any or all bids. It is also not binding on the Company to disclose any analysis report related to subjected tender.

6. Discarded to Tender conditions: The Company reserves itself the right to reject/modify any tender condition.

7. Validity of the work order: The period of contract / work order will be **Two Month** from the date of issue of work order or exhausting of work order amount, whichever is earlier.

8. Warranty: You will have to give the Warranty of above work & material used up to period of 12 months from the satisfactory commissioning of the subjected work / from date of handing over of the executed work to MSETCL. Any defects developed during warranty period should be rectified at the cost of contractor / successful bidder.

Material: The material provided by the agency must be of high quality standards & confirms to is specifications. It must be of reputed & branded make & should not have any local/ substandard brand or assembled piece. The successful madders has to submit test reports of the cement, steel etc. to the Engineer Incharge.

9. Precaution: All equipments, lines & bus are in charged condition .Tenderer / successful bidder will have to carry out the work under supervision of EHV O & M Division office representative. The successful bidder has to take all safety precautions as per MSETCL / IE rule standards at his own cost until handing over of completed work to MSETCL in all respect.

10 Penalty For late execution of the work: If successful bidder fails to execute the work within stipulated time as mentioned above, he / she will be liable to pay penalty @ 1/2% per week((A week of seven days or part thereof) & subject to maximum limit of 10% of total value of the work order.

11. Failure of Execution of the work: For failure to execute the work as per given work Schedule against the order in full, within the stipulated period, the Company shall be at liberty, without further notice or reminder to the contractor to get the same work done on account of and at the risk & cost of the contractor. MSETCL prefer a claim for the difference in price and for all expense whatsoever incurred in getting the said work done and the same will be recovered from any payment from MSETCL due to the Contractor, either from bills or deposit or on any account. Further, such expenses will also include 15% Supervision charges.

12. In case the work is not executed fully, the balance work will be got carried out from some other agency even at higher rate and difference in cost will be recovered from pending bills / deposits with the Company. Security Deposit will be forfeited in addition to above recovery.

13. Acceptances of contract work: The work against this contract will be subject to the approval of the Officer-In-charge or any other officer deputed for the purpose. He is at liberty to reject any or the whole work without assigning any reason and his decision in respect of such rejection will be final.

14. Submission of bills / Payment of bills: The tax invoice should be submitted in triplicate to the respective Operating Officer as per Schedule 'A'. The Measurements recording & service entry of the bills will be done by respective Operating Officer. After receipt of the bills & measurements recorded from the respective substation In charge, technical scrutiny & auditing will be carried out at Division Office and payment will be effected accordingly subject to availability of funds. The agency has to attach all necessary documents with the bills properly.

15. Conditions of tender and contractor: The tenders and orders / contract placed against this specification shall be governed by the MSETCL's / Company's General Conditions of the contract. The tenderer is deemed to be fully aware of these conditions and ignorance thereof shall not exempt him from his liability to abide by these conditions. The enclosed schedule, tender notice, tender form and instructions to the bidders / tenderers also form a part of this specification.

16. In case of any dispute whatsoever, regarding interpretation of the terms and conditions, or quality, the decision of the Executive Engineer, EHV O&M Division-I, Pune will be final and binding on the contractor.

17. The work should be executed as per instructions from the respective Addl. Ex. Engineer (LMU S/dn-I, Pune.) or MSETCL's representative, who will supervise the work. The work carried out without supervision of MSETCL's representative will not be recorded and payment will not be released for such type of unsupervised works, which may please be noted.

18. Loss of material: You will have to keep your material in safe custody at your end & on your own risk. The Company will not be responsible for the loss of the material kept at Company's site or anywhere in Company's premises. The accommodation for your staff will not be provided by the Company.

19. The contractor shall have to Make his own arrangement for Transport of man power, tools and Tackles in adequate quantity such as, ceiling, ropes, tarpaulins, jacks etc., whenever required.

20. Electrical safety regulations: No work shall be carried out on any live equipment. The equipment must be made safe by the Engineer In charge and the permit to carry out the work must be availed before any work is to be carried out.

All the tools, plants & equipments required to ensure safety of workmen will be arranged by the agency. It is agency's responsibility to ensure that the work will be executed by taking proper safety precautions & as per site equipment. This office recommend to to depute experienced person to supervise the work.

21. Compensation: If any accident occurs to any of your worker/your Supervisor/outside in carrying of the work will be on your account. The Company will not be responsible for such accident/ compensation payment etc.

Any accidents occurred during the period to any of departmental staff, your workers or to any outsider will be entirely on Contractor's / successful bidder's account and Company is not responsible for the same in any way.

It is the responsibility of the agency/successful bidder to settle the insurance claims against such type of accidents. The agency has to ensure that the affected person will get his dues from Insurance department in time.

22. Whenever any recovery towards theft/losses/damages/shortages etc., is applicable the same shall be recovered from your bill, as assessed by the Engineer-In-Charge.

23. Idle Labour hours: In case of suspension of work or delay in work due to any reason or stay order of the Court of Law no compensation will be paid by the Company for idling of the labours /idling of the machinery etc., during the period.

24. Income Tax & Work contract Tax: Income Tax & Work Contract Tax (if applicable) will be deducted from the contractor's bill.

25. All other Standard Terms and conditions prescribed by MSETCL regarding supply and work, which are not stated here are also applicable to this contract.

26. Jurisdiction: All disputes, differences related to the tender contract shall be subject to the exclusive jurisdiction of Pune District Court.

27. Quality of work: Quality of work to be carried out should be strictly confirmed to MSETCL specification, otherwise it will be rejected and contractor has to redone the same at his cost and risk only.

28. The work carried out by the contractor if found defective due to bad workmanship that should be redone by the contractor free of cost, if reported.

29. The prior permission from the concerned Engineer-in-charge is to be taken by the Contractor before starting the work or the agency has to inform the Engineer in-charge before starting the work.

30. The work should be executed as per Schedules enclosed and as per instructions of the concerned Engineer-in-charge.

31. Sub- Letting of Contract: The contract or any part thereof shall not be assigned, transferred, or sublet without the prior written permission of the undersigned. Even if such permission is granted, it shall be responsibility of the principal contractor to whom the work order originally issued to execute the works as per the terms of the contract.

32. Force Majeure: Only the following conditions shall be considered for the purpose of this clause.

- a. Natural Phenomenon such as floods, Draughts, Earthquakes, Epidemics etc.
- b. Acts of any Government, Domestic or Foreign such as war (declared or undeclared) Priorities, Guarantees Embargoes etc.
- c. The party affected by 'Force Measure' shall within 15 days of the occurrence of such a cause, notify the MSETCL in writing with sufficient documentary proof.

33. The provision made in various Acts in force applicable to this contract, are obligatory on the contractor while executing the work.

34. The contractor shall always keep and maintain site premises clean of in order. Further, the First Aid Box must be there at site as a safety measure for the labours.

35. Due date of Tender: All the tenders received up to the due date and time; will be opened as far as possible on the specified date and time. In case of urgency of work on the specified date or any connectivity & website related problems, same will be opened on next working day.
