INSTRUCTION TO APPLICANTS

SECTION I

INSTRUCTIONS TO APPLICANTS

1. Introduction:

Maharashtra State Electricity Transmission Company Limited (MSETCL), a wholly owned corporate entity under the Maharashtra Government, and Rural Electrification Corporation Transmission Projects Company Limited (RECTPCL), a wholly owned subsidiary of Rural Electrification Corporation (REC) Limited, which is a Navratna Central Public Sector Undertaking under Ministry of Power, govt. of India, intend to form a Joint Venture Company (hereafter referred as JV Company) to explore and execute various opportunities in the field of Power Sector in India and abroad. The formation of JV Company is under process. As Time is the essence in Project works, the empanelment of Contractors for the execution of EHV Transmission Projects in the field of Power Sector in India as well as other Countries is being done as a proactive measure.

MSETCL also seeks to take services from empaneled Contractors for the projects wherein MSETCL seeks to participate independently. So, hereinafter, JV Company and MSETCL will be mentioned as JV Company/MSETCL.

The purpose of this empanelment process is to empanel Contractors for the execution of EHV Transmission Projects in the field of Power Sector in India as well as other Countries. This RFE from EPC contractors/ companies is aimed at selection of contractors having sufficient financial resources and relevant experience of EHV Substation and EHV Transmission Lines works.

2. General Information to Applicants:

- i. JV COMPANY/MSETCL will pre-qualify those firms/contractors which are considered most suitable for the works. The selection will take into account the firm's/contractor's relevant experience in work executed in accordance with the Section II – Qualifying Requirements and Other Conditions.
 - ii. The decision of JV COMPANY/MSETCL in this regard will be final and without appeal. JV COMPANY/MSETCL will not be bound to give any reason for the acceptance or rejection of any firm/ contractor on any account, whatsoever.
 - iii. The fact that a prospective Applicant is prima facie found qualified by the pre-qualification committee shall not in any manner, take away the right of the tendering authority/Utility for further detailed consideration and verification of the qualification of the prospective Applicants such as his experience, financial stability, tools & plants, all other relevant matters etc. during the bidding stage, if desired to do so and the prospective Applicant shall not have any right to question the act of the tendering authority / Utility in considering again the qualification etc. of the prospective Applicant but to ensure that the qualifying requirements are met at any point of time by the Utility.
3. The firms are required to give the complete information as asked for in the formats made available in the Section III- Prequalification Formats and sample forms.
4. All forms shall be duly filled in, giving complete details.

5. In the event, spaces provided on the forms are not sufficient for entries or if contractor wishes to furnish additional information it may be inserted on separate sheets with appropriate references.
6. The information furnished or the replies to the questions should be complete in all respects. In case the information or the reply is 'NIL' or 'NOT APPLICABLE' etc., it should be invariably mentioned.
7. The declarations by the firm /contractor that they are not having any connection directly or indirectly with the Board's employees and that they are not black listed/debarred from undertaking any work by Government/ Government Company/ Government Organization/ Government agency/ Public sector undertakings/ State utilities/Overseas Financial Institutes/Banks (including EXIM Bank, ADB, World Bank etc) should be in the declaration form attached.
8. Sufficient data and Bank undertaking/references (Solvency Certificate) to permit an evaluation of the size and financial stability of the firm/contractor should be furnished. Solvency certificate from any scheduled bank in India shall be furnished.
9. Net worth of the Company at the time of RFE shall be prepared and submitted by the authorized Chartered Accountant of the Company in original as on the audited financial results of the last year. If the audited financial statement within six months from RFE is not available then it may be submitted based on the unaudited provisional financial statement of the company for the half year proceeding to RFE.
10. The various proforma attached to this pre-qualification RFE are to be filled up by the prospective Applicants without any alteration or modification of their own to the details called for. If the spaces provided in the proforma are not sufficient, the Applicants can attach continuation sheets to the respective proforma of the RFE forms to the extent required. But preparing information in a new proforma devised by the prospective Applicant avoiding the information intended to be elicited in the prescribed proforma or not filling all the details called for in the prescribed formats is not acceptable.
11. The prospective Applicant should not anticipate a change in ownership of their firm during the proposed period of execution of work (If such a change is anticipated, the scope and effect there of shall be defined).
12. The questionnaire should be duly filled and completed.
13. Only authorized signatory shall sign the RFE and shall certify that the prospective Applicant accepts that they have clearly understood and agreed all the terms and conditions of this RFE.
14. Availability of RFE Document, Due Date and Opening Date will be as per the Point No. 11 in Section 2. Last date of submission of RFE documents, date and time of opening of Pre- qualification RFE are mentioned in the Point No. 11 in Section 2. In case the date of receipt/opening of documents happens to be a holiday, the due date will be extended to the next working day and time for the corresponding activity given.
15. No extension of RFE due date shall be considered on account of delay in receipt of RFE documents by registered post. The prospective Applicant is advised to submit the RFEs well

before the stipulated time and date to avoid any kind of postal delays, etc. In this regard the JV COMPANY/MSETCL shall not be responsible for any kind of such issues.

16. RFE EMD must accompany the documents in the form and manner given in the RFE documents, failing which the RFE shall be rejected.

17. JV COMPANY/MSETCL reserves the right to cancel/withdraw the RFE without assigning any reason for such decision. Such decision will not incur any liability whatsoever on the part of JV COMPANY/MSETCL consequently.

18. Eligible Applicants:

i. This Invitation for RFE, issued by the JV COMPANY/MSETCL is open to all Contractors, firms including company(ies), Government owned Enterprises registered and incorporated in India as per Companies Act, 1956, barring Government Department as well as foreign Applicants/MNCs not registered and incorporated in India and those Applicants with whom business is banned by the JV COMPANY/MSETCL.

ii. Applicant shall not have a conflict of interest. All Applicants found to have a conflict of interest shall be disqualified. An Applicant may be considered to have a conflict of interest with one or more parties in this bidding process, if:

(a) they have a controlling partner in common; or

(b) they receive or have received any direct or indirect subsidy from any of them; or

(c) they have the same legal representative for purposes of this bid; or

(d) they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another Applicant, or influence the decisions of the JV COMPANY/MSETCL regarding this bidding process; or

(e) Applicant submits more than one proposal in this RFE process, either individually [including proposal submitted as agent/authorised representative on behalf of one or more manufacturer(s) or through Licensee – Licensor route]

(f) Applicant or any of its affiliates has been hired (or is proposed to be hired) by the JV COMPANY/MSETCL as Project Manager for the contract.

iii. The Applicant, directly or indirectly shall not be a dependent agency of the JV COMPANY/MSETCL.

19. Cost of RFE Process:

The Applicant shall bear all costs associated with the preparation and submission of its proposal including post-RFE discussions, technical and other presentations etc., and the JV COMPANY/MSETCL will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the RFE process.

20. Qualifications of the Applicant:

- i. All Applicants are required to give the complete information as asked for in the formats made available in the Section III- Prequalification Formats and sample forms
- ii. After the prequalification of potential Applicants, only bids from prequalified Applicants shall be considered for award of Contract. These qualified Applicants should submit with their bids any information updating their original prequalification applications or, alternatively, confirm in their bids that the originally submitted prequalification information remains essentially correct as of the date of bid submission.
- iii. Bids submitted by a joint venture of two or more firms as partners shall comply with the following requirements:
 - a) the proposal of RFE shall include joint deed of undertaking by the collaborator/associate along with Bidder stating joint obligations towards terms and condition for the execution of this RFE (On Non-judicial stamp paper of Appropriate value);
 - b) the proposal of RFE shall be signed so as to be legally binding on all partners;
 - c) all partners shall be jointly and severally liable for the execution of the Contract in accordance with the Contract terms;
 - d) one of the partners shall be nominated as being in charge, authorized to incur liabilities, and receive instructions for and on behalf of any and all partners of the joint venture;
 - e) a copy of the Joint venture Agreement entered into by the partners shall be submitted with the bid; or a Letter of Intent to execute a joint venture agreement in the event of a successful bid shall be signed by all partners and submitted with the bid, together with a copy of the proposed Agreement.

21. One Proposal per Applicant:

Each Applicant shall submit only one proposal, either individually or as a partner in a joint venture. Applicant who submits or participates in more than one proposal (other than as a subcontractor or in cases of alternatives that have been permitted or requested) shall cause all the proposals with the Applicant's participation to be disqualified.

22. After the empanelment, if at any stage, JV COMPANY/MSETCL decides to check the pre-qualification documents of any empanelled Contractors/Companies, it would be mandatory for empanelled Contractors/ Companies to follow the verification process as per necessary instructions of JV COMPANY/MSETCL.

23. Award of Contract:

- i. After the prequalification of potential Applicants, only bids from prequalified Applicants shall be considered for award of Contract. These qualified Applicants should submit with their bids any information updating their original prequalification applications or, alternatively, confirm in

their bids that the originally submitted prequalification information remains essentially correct as of the date of bid submission.

- ii. JV COMPANY/MSETCL reserves right to receive bid from the selected prequalified Applicants. Applicant shall not have any right to question the act of the tendering authority / Utility in inviting bids from selective prospective Applicant but to ensure that the qualifying requirements are met at any point of time by the Utility.
- iii. As per performance of Contractors observed for the first year of empanelment, JV COMPANY/MSETCL reserves the right to remove the Contractor from the empanelment for the incompetency of Contractor if any observed.
- iv. For any particular business opportunity, if MSETCL invites bids from empaneled contractors, then there should not be participation of contractor in such business opportunity independently. If empaneled contractor has already decided to participate in such business opportunity independently, in such case the empaneled contractor will not be allowed to participate in bids from MSETCL. If empaneled contractor is found to be participated in such business opportunity independently as well as in a same bid invited by MSETCL for same business opportunity, then that empaneled contractor will be disqualified from the empanelment.

24. National/International Agencies:

- i. National/International agencies can come up with the identified opportunity in Power Sector in any country. Such National/International agencies can become part of this empanelment by following Qualification Criterion. Empanelment for such National/International agencies will be ongoing process.
- ii. Management reserves the right to decide how to pursue and execute such identified opportunity and Management reserves the right to decide terms of execution depending upon the nature, requirement and quantum of identified opportunity.
