TENDER AMENDMENT NOTIFICATION FOR BIDDERS

The all services are grouped under single line item in this **RFX No. 7000016935**. We came to know this fact as the vendors are unable to quote separate tax codes for respective services e.g. 5% (T1) for transportation services and for other than transportation services tax code will be 18% (T5).

In view of reaching solution to this problem raised, the bidders are requested to quote their rates and take random tax code as 18% (T5). (Though not applicable for pure transportation services).

This office will consider your bare only and load 5% taxes for pure transportation services and 18 % taxes on other than transportation services and compare rates of all qualified bidders.

The vendors should submit their consent to above in attached format on their letter head.
