

Corrigendum

In connection to this Office Tender EE/400kV/RS (O&M)/DN/KHR/ Ten-1/2021-22 (RFX No. 7000019141) published through SRM on 12.03.2021, this is to inform that due to Typographical error, the service codes of OT and Night Halt charges of a driver were interchanged in Schedule of this tender. This has resulted in interchanging of estimated quantity and rates entered against the line items of these services.

Therefore the schedule of this tender is being amended as given below and the corresponding rates and quantity have been changed accordingly.

It may be please noted that the Total Estimated Amount of this Tender remains unchanged.

Bidders are requested to take a note of this and make necessary changes in their bids accordingly.
