25. Insurance: -The agency at his cost shall arrange, secure and maintain comprehensive insurance as may be necessary and for all such amounts to protect his interests and the interest of the Owner, against all risks. Any loss or damage to the equipment, during erection, till such time the plants is taken over by the owner shall be to the account of the agency. The agency shall be responsible for loading of all claims and make good for the the damage of loss by way of repairs and/or replacement of the portion of the works damaged of lost. The transfer or title shall not in any way relieve the agency of the above responsibilities during the period of the contract.

26. Providing Services / Support

i) The agency shall be responsible for any damage to equipment's, property and third-party liabilities caused by acts on his part of/ on part of its deployed manpower at MSETCL's premises. In case of any theft or loss of property due to negligence or carelessness of your personnel, agency will be fully responsible and you will have to make good of the losses so incurred to MSETCL, otherwise the same will be deducted from the security deposit or from the payments.

ii) MSETCL stands absolved from any liability on account of death or injury sustained by the concerned personnel during the performance of this contract and also for any damages or compensation due to any dispute between the agency and its personnel.

iii) Any extra expenditure for getting the work done from other agencies /open market due to the failure of the agency to provide support within the scheduled time as mentioned in the contract / work order will be recovered from the agency through security deposit or pending bills or any other dues payable to the agency by raising claims.

iv) MSETCL reserves the right to deduct amount from the bill as may be considered reasonable for unsatisfactory services or delay in providing of services. The decision of MSETCL will be final in this regard.

v) This contract is a contract for services and there is no express or implied relationship of employer and employee between agency's employees' representatives and the MSETCL.

27. The agency can visit site & be well aware of site location before participating in bidding process.

28. You should make your own arrangement for vehicles, labour, tools and tackles, handling equipment etc. At your own cost for execution of the work detailed herein.

29. Security: The agency shall ensure that all his personnel, while in the premises of the company; comply with the company's rules and regulations regarding safety, security, discipline and good conduct.

30. Terms Of Payment

- i. No advance payment will be payable against this contract.
- ii. The payment to the contractor for the performance of the works under the contract shall be made by the owner as per guidelines and conditions specified herein. All payments made during the contract shall be on account payee only. The final payment shall be made on completion of the whole work as per the contract and on fulfillment by the contractor of all his liabilities under the contract.
- iii. The owner shall make progressive payments as and when those are due as per the payment schedule. Payment shall become due and payable by the owner within 45 days from the date of receipt of contractor's bills/invoices (except final bill) by the Owner, provided the documents submitted with the invoices are complete in all respects. The contractor shall submit the bill invoice in triplicate.

31. Mode Of Payment to Contractor

- i. All payment due to the Contractor shall be paid only by 'online payment/ NEFT'.
- ii. The Contractor shall present his GST e- invoice for the works done. After verification of such invoice by Owner, all items having financial value shall be entered and certified in Owner's Measurement Book by the "Engineer In charge" and these certified invoices along with relevant supporting documents complete in all respect shall be presented for payment.
- iii. The work is to be measured as per standard procedure. The measurement shall be taken jointly by persons duly authorized on the part of Owner and by the Contractor.
- iv. If, at any time due to any reason whatsoever, it becomes necessary to re-measure the work done in full or in part, the expense towards such re-measurement shall be borne by the Contractor.
- v. The Contractor shall bear the expenditure involved, if any, in making the measurement. The Contractor shall, without extra charges, provide all the assistance with appliances and other things necessary for measurement.
- vi. The measurement entered in the measurement books and the bills prepared shall be signed and dated by both the Contracting parties.
- vii. The Contractor will be intimated in writing by the engineer the proposed date of measurement. If the Contractor does not turn at the appointed time, the Engineer shall have the powers to proceed by himself to take measurement in which case the measurement shall be accepted by the Contractor as final.
- viii. Passing of measurement as per bills does not mean to acceptance or the completion of the work mentioned. Any left out work has to be completed if pointed out at a later date by Engineer.
- ix. The Contractor shall be directly responsible for payment of wages to his workmen.
- x. The payment for the works shall be made directly to the Contractor by the Owner.

- xi. You have to submit your RA bills in triplicate for executed works to the Executive Engineer, EHV Project DN-II, Pune.

32. Modes of Payments:

- i. 100% payment will be paid after the completion of work satisfactory and as per recommendation of Engineer incharge.
- ii. In case of detail survey 100 % payment will be paid after submission of profile & village maps, payment will be paid within 45 days from the date of submission of bill.
- iii. In case check survey 100 % payment will be released after completion all survey in all respect & if necessary, profiles to be submitted with certification from Addl EE S & I S/Dn, who is Engineer-in-charge for his work.

34. Contract Drawings

These should be as per required for completion of detail survey work as per requirement.

35. Mistakes In Drawings

The contractor shall be responsible for any discrepancies, errors or omissions in the drawings or other particulars supplied by him and shall pay all the costs of the alterations in the work necessitated thereby notwithstanding the fact that such drawing or particulars have been approved by the engineer provided that such discrepancies, errors or omission are not due to inaccurate information or particulars furnished to the Contractor in writing by the engineer. The owner shall be responsible for drawings and information supplied by the engineer.

If any dimensions/figures upon a drawing or a plan differ from those obtained by scaling the drawings or plan, the dimensions as figured upon the drawings or plan shall be taken as correct.

36. Modification & Rectification to Survey Work:

If any rectification is suggested by Engineer-In-Charge, with in settlement of final bill the agency should carry out the same and submit all related deliverable to this office. No extra charges will be given for any modification or rectification.

37. For any queries, please feel free to contact on Mobile No. 9323102936 / 8770373993.

38. All the MSETCL's General Terms & Conditions will be binding on you.

Thanking you.

Yours faithfully
