AMENDMENT No.III

Sub: Supply, Installation, Testing & Commissioning of Busbar Protection Schemes at various 220kV Substations under Nagpur & Vashi Zones against e-Tender No. SP/T-0605/0521 (RFx No. 5000000925) – **Issue of Clarification to bidder's query and extension of due date of tender thereof.**

Dear Sirs,

Please refer e-Tender No. SP/T-0605/0521 [**RFx No. 5000000925**], advertised for Supply, Installation, Testing & Commissioning of Busbar Protection Schemes at various 220kV Substations under Nagpur & Vashi Zones.

In response to above tender, the Clarification to bidder's query is given hereunder:

Sr. No.	Bidder's Query	MSETCL's Reply
1)	The SRM price schedule has total 25 line Items for which prices have to be quoted. Out of these first 3 line items are for supply of Bus Bar Protection Scheme & remaining line items from 4 to 25 are for submission of T&C prices per unit scheme. There is clarity on prices to be quoted for first 3 line items of supply, for balance line items 4 to 25 the description in SRM portal against each of these line items does not mention whether the item is for 10, 15 or 20 Bays.	<p>The Number of Bays is now incorporated in description of Line items 4 to 25 i.e. ETC Charges for Busbar Protection Scheme.</p> <p>Bidders to note that, the location indicated in the description is for internal reference and is not be considered for quoting of rate i.e. the rate for ETC is to be quoted for the Busbar Scheme by only taking into account the number of bays mentioned and the same shall be not location dependent.</p>

Considering the above, the due dates of submission and opening of Tender are hereby modified as under:

Due date and time of submission of bids : 05.07.2021 up to 17.00 Hrs.
Due date and time of opening of bids : 05.07.2021 at 17.15 Hrs.

All participant bidders are requested to take note of the above and submit their bids accordingly. All other terms and conditions of the Tender specifications remain unchanged.

Yours faithfully,
-sd-
Executive Engineer (St. VI)
